

Bio Lube™

CLEAN • LUBE • SAVE \$\$\$

Bio Lube™ Advanced Dental Handpiece Cleaner

- Economical **16 oz.** can.
- Removes baked-in oil that causes sluggish high-speed performance.
- Formulated to remove dried blood, saliva, and debris.
- Prepares all handpieces, contra-angles, and scalers for lubrication and sterilization.
- Non-flammable.

BIO-LC-16..... 16 oz.

Bio Lube™ **NEW** E-FORMULA

- Formulated for electric high-speed contra angles and handpieces.
- High performance lubricant conditions cage materials and gaskets.
- Protects all handpieces from sterilization temperatures.
- Eliminates costly repairs and down time.
- Safe for all high speeds, motors, scalers, and contra angles.
- Runs cleaner and smoother.
- Does not void your warranty.

BIO-EF-500..... 16 oz.

Heat-seeking formula penetrates all critical lubrication points, reducing friction and wear at high speeds.

Bio Lube's simple system:

- Eliminates the need for expensive lubrication stations
- Saves time and money
- Eliminates friction and wear
- Prolongs turbine life
- Restores handpieces

Bio Lube™ Original Introductory Kit

- Extends turbine life and eliminates costly repairs.
- Preserves bearings cages and O-rings.
- Performance exceeds autoclave temperatures.
- Safe for ALL handpieces, contra angles, and scalers.
- Biodegradable - NO hazardous shipping required.
- No lubrication necessary after sterilization.
- Cleaner eliminates black sticky residue that leads to sluggish handpiece performance.

BIO-CL-24..... 1 - 7oz. cleaner and 1 - 7 oz. lube

Bio Lube™ Pin Oilers & Needle Dropper

- Synthetic biodegradable handpiece lubricant.
- Safe for all handpieces, contra angles, and scalers.
- Non-toxic, food grade H-1, NSF registered.
- Non-flammable.
- No need to lubricate after sterilization.
- Eliminates problems long-associated with sterilization.
- Reconditions bearing cages and O-rings to stay pliable.
- Extends turbine life.

BIO-P-12..... 5 - 0.25 oz. pin oilers

BIO-L2-12..... 2 oz. needle dropper bottle

Formulated for use in the Assistina* and all other lube stations with resevoir.

Bio Lube™ Advanced Auto-Clean

- Auto-Clean flushes and cleans air/water spray lines.
- Prepares handpieces for lubrication.
- Requires no hazmat shipping.

Bio Lube™ Advanced Auto-Lube

- Auto-Lube extends turbine life and eliminates costly repairs.
- Prevents sluggish handpiece performance.
- Performance exceeds sterilization temperatures.
- No lubrication necessary after sterilization.

BIO-AC.....1000 mL Auto-Clean

BIO-AL.....1000 mL Auto-Lube
